Sorry for the confusion. Ron intended to go but another mtg with State Ag Directors trumped this particular meeting.

Given that part of the discussion at the Board meeting is to identify potential collaborative opportunities, we were asking if there might be someone who would want to represent EPA at this meeting if they had collaborative interests involving their program.

If we get feedback from leadership (AAs) on the items we're asking about I'm fine with conveying whatever is necessary at the meeting, if need be. I'd just want to confirm you are comfortable with the messages we convey.

Hope that helps clarify things. Donna

So I think the note should go out from Ron—and Ron, I assume you will be able to attend on the 13th? But I would be happy to meet with you in advance if that would be helpful.

Subject: Need your help determining EPA's Next steps with the Interagency biomass initiative

Deputy,

You may recall being briefed on the inter-agency Biomass Research and Development Board, which meets quarterly. The next meeting is on January 13. The Board has been developing an inter-agency Bioeconomy Initiative over the past two years. (See background

information below). The Board co-chairs, Dr. David Danielson (Assistant Secretary for Energy Efficiency and Renewable Energy at DOE) and Dr. Catherine Woteki (Under Secretary for Research, Education, and Economics at USDA) have requested time at the upcoming meeting to have a leadership conversation on the status of the Bioeconomy Vision and a path forward, so that members can follow up with their Agency heads and begin implementation. Additionally, they requested a brief update on the Renewable Fuel Standard, and Paul Argyropoulos (OAR/OTAQ) is planning to attend for that purpose.

In preparing for this upcoming meeting there are several requests for information they have asked all members to be prepared to discuss. These include:

PROPOSAL

I'm suggesting that you send a note to the AA's that:

! Action Requested by Monday, January 11!

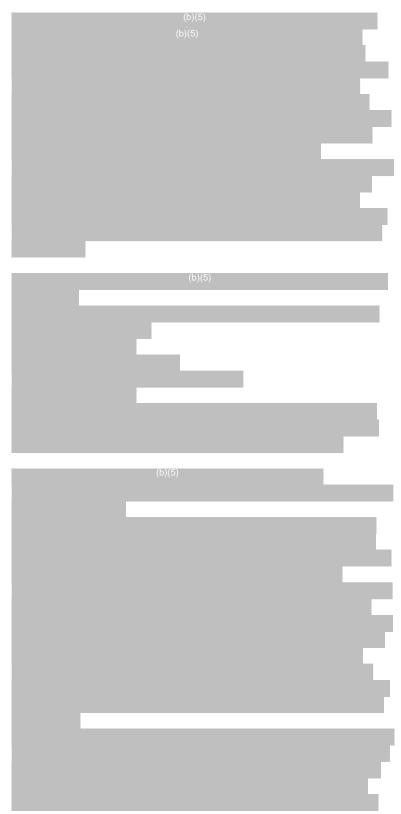

Dear AA,

As you may know, the interagency Biomass Research and Development Board is meeting on January 13. I'm asking for your help in preparing for this meeting, as EPA is a critical partner in this effort.

The Board has been developing an inter-agency Bioeconomy Initiative over the past two years. (See background information attached). The Board co-chairs, Dr. David Danielson (Assistant Secretary for Energy Efficiency and Renewable Energy at DOE) and Dr. Catherine Woteki

(Under Secretary for Research, Education, and Economics at USDA) have requested time at the upcoming meeting to have a leadership conversation on the status of the Bioeconomy Vision and a path forward.

They have asked all members to be prepared to discuss the following issues. I am asking for your input and feedback on each of these by Monday, January 11.

Subject: Save the Date!! State of the Union Watch Party

Folks,

I imagine many of you must already be well on your way to celebrating the New Year with your loved ones. I hope this holiday season provides you with a much-deserved opportunity to rest, and time to reflect on the many victories you and your office have fought to ensure our country and the world continues progressing in the right direction.

With only one more year left of the administration :(, we invite you to watch President Obama's final State of the Union address on Tuesday, January 12, 2016, from 7:00 p.m. to 11:00 p.m. at Penn Quarter Sports Tavern http://www.pennquartersportstavern.com/default.as px>.

This will be a great networking and relationship building opportunity for you to not only connect with your EPA colleagues, but also to reconnect/meet your counterparts at DOE, DOI, NASA, USDA, etc. I hope you can join in on the festivities!!

Please RSVPs by COB, Wednesday, January 6, 2016.

Warmest wishes for a safe and happy holiday, Melissa

Conference Line: Conference Code: (b) (6)

Hello everyone,

This afternoon you will receive a calendar invite to participate in the Senior Policy meeting with the Administrator scheduled on Wednesday, January 20th. At this meeting we will discuss a variety of topics associated with EPA's priorities/goals for 2016, the transition process, and resources available to appointees as you plan your next steps. More details on these topics will be shared in the near future.

The meeting will begin at 3:30 pm for the usual folks (RA's and AA's) who attend Senior Policy on a regular basis. So RA's and AA's please connect to the meeting as you usually would to begin the meeting at 3:30 pm. All other appointees are invited to join the meeting at 3:45 pm. The meeting will take place in the Alm Conference room so please take into account that seating will be limited. A conference line will be provided in the calendar invite for those who cannot join in person. Senior Policy usually concludes at 4:30 pm but please plan for this meeting to run a little longer than usual.

Thanks all and please let me know if you have any questions.

Best, Arian

I've attached the draft executive summary of the sampling plan. We expect some additional edits to this but wanted to get it out to give folks some time to review. The smaller group reviewed the more detailed plan this afternoon and we feel we have addressed a number of issues. We'll share that plan early tomorrow.
